President Message

Dear Students,

Having haunted by socio-economic & ethical transformation of our country, the foundation stone of the educational complex of *Shiva Trust* was laid in year 1998. The mission is realized by establishing educational group in Aurangabad.

Shiva Trust's colleges imparts quality education by including innovative courses & creating friendly environment. I believe that the students completing various courses will not only have ample of job opportunities in India and abroad but can also look forward for becoming entrepreneurs & researchers. I extend a hearty & warm welcome to you to *Shiva Trust's* educational complex which will definitely shape your mind & character. Wish you All the Best for your future prospects.

ABOUT TRUST

Shiva Trust was established with the core objective of rendering selfless dedicated service to higher education in the fields of Ayurved, Homeopathic, Pharmacy, Nursing, Paramedical, Polytechnic, Fire Safety, Architecture & Law.

The Visionaries of *Shiva Trust* have been involved in the field of higher education since the last 20 years. During this period, they have provided the most valuable education to thousands of students across the country. It is our Vision to provide education aided by the best infrastructure available in the most congenial atmosphere so that every student can aspire high, achieve his dreams and succeed in life.

The *Shiva Trust* is an educational institution which strives to form men and women who will build a more just and humane world. It strives for an intellectual endeavor that focuses on critical and creative thinking, with the aim of social transformation. The College makes a preferential option for the marginalized and it seeks to forge all-round development, inculcating both human and spiritual values. Competence, compassion and commitment are the hallmarks of the human person we seek to encourage.

The *Shiva Trust* has been performing exceptional task of imparting education through its branches. The *Shiva Trust* offers excellent facilities for higher and Technical education.
